

# Big Sciota

*Traditional*

---

1. I've lived by the river all my life,  
Ain't known nothin' but toil and strife,  
I can't go home again,  
I can't go home again.

*chorus:* From east and west the highways roll,  
Lord have mercy on my poor soul,  
I miss my blue eyed baby, oh,  
My pretty little blue eyed baby, oh.

2. The river's deep and the river's wide,  
The devil waits on every side,  
I can't go home again,  
I can't go home again.

*chorus:*

3. That pretty little girl I love so well,  
She'll go to heaven but I'll go to hell,  
I can't go home again,  
I can't go home again.

*chorus:*
