

The Blues Come Around

Written by Hank Williams

1. Once I was happy as I could be,
But I let a gal make a fool of me,
And ever since she let me down,
The blues come around when the sun goes down.

chorus: Oh, the blues come around,
Oh the blues come around,
Lawd, the blues come around,
Ev'ry evenin' when the sun goes down.

2. As long as the sun is in the sky,
These doggone blues never make me cry,
But ever since she left this town,
The blues come around when the sun goes down.

3. I built my castles very high,
And then she went and said goodbye,
And ever since she tore 'em down,
The blues come around when the sun goes down.

4. Once she called me all her own,
But now she's gone and I'm alone,
And ever evenin' I'm sorrow bound,
'cause the blues come around when the sun goes down.
