

(Good Old) Bowling Green

Traditional

- 1. Wish I was in Bowling Green,
Sitting in my chair,
One arm 'round my old guitar,
The other 'round my dear,
The other 'round my dear,**

chorus: **Bowling Green,
Good old Bowling Green.**

- 2. Going through this worried world,
Going through alone,
Going through this worried world,
I ain't got no home,
I ain't got no home.**

- 3. I wish I was a bumble bee,
Flying through the air,
Take my true love by my side,
Touch her if you dare,
Touch her if you dare.**

- 4. If you see that gal of mine,
Tell her once for me,
If she loves another girl,
Yes I'll set her free
Yes I'll set her free,**

- 5. Going back to Bowling Green,
Don't know how or when,
When I get to Bowling Green,
I'll never leave again,
I'll never leave again.**
