

Brand New Shoes

Written by Lester Blackwell

1. I'm just breaking in a brand new pair of shoes,
Don't you look at me like you think I've got the blues,
'cause I'm walking 'round and around,
And I'm seeing most of the town,
I'm just breaking in a brand new pair of shoes.

2. I'm doggone if I'm gonna cry the blues
My feet are sore but I've got no time to lose
'cause I'm wanting her here with me,
And I'm needing her company
I'm just breaking in a brand new pair of shoes.

bridge: Ah ha so I'm talking to myself,
Oh no she's not putting me on the shelf.
