

Chalk Up Another One

Written by H. Winston & Wilmer Neal

**1. You should get a medal dear for every broken heart,
For every life you've ruined 'cause you think you're so smart,
I never even had a chance and now my life is lost,
Once more you've had your fun and you don't care how much it cost.**

chorus: **Chalk up another one, another broken heart,
Chalk up another one, a heart you tore apart,
You played me for a fool my dear, how well I played the part,
Chalk up another one, another broken heart.**

**2. Broken vows and shattered dreams mean little dear to you,
'cause once you said you love me and now you say were through,
Well all is fair in love and war I guess you taught me so,
'cause in this crazy game of love you hit an all time low.**

**3. I have only pity for this evil life you choose,
This unfair game you're playing where everyone must lose,
But let me tell you something, some day you won't forget,
Add me to your collection and you'll wish we never met.**
