

Cup of Tea

Written by Harlan Simon White

1. I don't want to be like the fiery sun,
I just want to be your candle honey,
I just want to be your candle baby,
Let the sun shine on.

2. I don't want to be like the deep blue sea,
I just want to be your cup of tea,
I just want to be your cup of tea,
Let the sea rage on.

bridge Let the waves roll and pound,
1: Let the sun burn the ground,
Let this old world roll around,
I'll be happy to have your loving.

3. I don't want to be like a big freight train,
I just want to be your walking cane,
I just want to be your walking cane,
You can lean on me.

4. I don't want to be like a bird in the air,
I just want to be your rocking chair,
I just want to be your rocking chair,
Come and sit by me.

bridge Let the trains roll on by,
2: Leave It up to the birds to fly,
Long as you say you'll be mine,
I'll be happy to have your loving.

repeat verse 2:
