

Don't Let Your Sweet Love Die
Written by Clarke VanNess and Zeke Clements

1. **Don't let your sweet love die like flowers in the fall,
Don't take away the smiles and leave the tears,
My heart believes in you, please say you'll love me true,
Don't leave me here to face the lonely years.**

2. **I drifted all alone, no one to call my own,
And then you came like an angel from the sky,
You said we'd never part, don't leave and break my heart,
Be mine alone don't let your sweet love die.**

3. **When flowers fade they say, they'll bloom again some day,
Will you love me when the rosebuds open wide,
Or is your kiss to be, only a memory,
I need you so don't let your sweet love die.**

4. **Don't let your sweet love die like flowers in the fall,
Without life would be like death to me ,
I've grown so used to you, I can't believe we're through,
Be mine alone don't let your sweet love die.**

coda: **I need you so don't let your sweet love die.**
