

# Fishin' Blues (I'm Goin' Fishin')

*Traditional*

---

1. I walked down the hill about twelve o'clock,  
I sat right down on a great big rock,  
I looked down in the water and bless my soul,  
I seen a great big catfish jump in that hole.

*chorus:* I'm a goin' fishin', 'cause everybody's fishin',  
And I'm a goin' fishin' too.  
You can bet your life that your lovin' wife,  
Might catch more fish than you,  
Any fish will bite if you got good bait,  
And here's a little something that I'd like to relate,  
When it's time to bite, Lord, the fish won't wait,  
I'm a goin' fishin', 'cause everybody's fishin',  
And I'm a goin' fishin' too.

2. I went to the store and I took a look,  
Got a pole and some line and a triple hook,  
Then an old man smiled as he said to me,  
Son, catch a big catfish for me.

*chorus:*

3. I lean right back against on old big tree,  
Then a big old bass took a look at me,  
He took my bait when I throwed my line,  
When I got him to the bank, Lord, he sure looked fine.

*chorus:*
