

Forget Me Not
Written by Bill Martin

- 1. Oh my lady, sweet love of mine,
Forget me not, while I'm away,
Across the blue, slowly rolling ocean,
I will return to you someday.**
- 2. Through the dark and dreary night,
I dreamed I held you here beside me,
When I awoke I heard behind me,
The sound of guns and distant drums.**

chorus: **Forget me not,
I feel so 'lone, lost and lonesome,
Like a child,
Maybe I just need,
To see somebody smile.**

- 3. Are you thinking, of all the times,
When we were running all through the greenfields,
My eyes are closed, still I see the greenfields,
They seem to sing, they seem to sing.**

chorus:

repeat 1.
