*Written by Marijohn Wilkin, Wayne P. Walker & Louise Certain*

---

*chorus:* **From now on I won't be hanging 'round,  
From now on I won't be hanging 'round,  
I've taken all I can, go find another man,  
From now on I won't be hanging 'round.**

**1. It's a long time I've waited my darling,  
Just hoping some day you'd settle down,  
But now its too late, it's all over,  
From now on I won't be hanging 'round.**

*chorus:*

**2. I've tried and I've tried to make you love me,  
But bright lights and night life you've found,  
Is the only love you've ever known my darling,  
From now on I won't be hanging 'round.**

*chorus:*
