

Gentle River

Written by Todd Rakestraw

1. I've lived a life full of sorrow,
With no where to run or to hide,
Happiness you'll see is borrowed,
All I want is you by my side.

chorus: Gentle river take me away,
To the time of happier days,
All I need is love and company,
Gentle river bring 'em back to me.

2. You can spend all your time a'cryin,
Listen here I don't need your sympathy,
Cause I've made my life to live it,
All I need is you here with me.

chorus:

coda: Gentle river bring em' back to me.
