

Gone and Left Me Blues

Written by Johnny Bond & Jimmy Wakely

- 1. My weary heart for you is crying,
It knows it's payin' for its dues,
For you have left me oh so lonely,
I've got them gone and left me blues.**
- 2. I know that we should be together,
Though I'm the one that's been untrue,
Please take me back and say you love me,
I've got them gone and left me blues.**
- 3. I might have know that you'd be leavin',
I knew you'd want your walkin' shoes,
Why did I break those vows I've promised,
And bring about these awful blues.**
- 4. Don't tell me that you've found another,
My heart would never take the news,
I need you now and want you near me,
I've got them gone and left me blues.**
