

# Gonna Lay Down My Old Guitar

*Written by Alton Delmore*

---

*chorus:* I'm gonna lay down my old guitar,  
Lay down my old guitar,  
I wish I could tie it to my side,  
And take it along with me.

1. There's no one to cry for me,  
There's no one to cry for me,  
I've wandered so far away don't you see,  
And there's no one to cry for me.

*chorus:*

2. I'm sick in a lonesome bed,  
I'm sick in a lonesome bed,  
There's no one to hold my aching head,  
And I'm sick in a lonesome bed.

*chorus:*

3. I'm telling this world goodbye,  
I'm telling this world goodbye,  
I'm telling the world and my dear little girl,  
I'll soon tell them all goodbye.

*chorus:*
