

Gonna Settle Down

Written by Lester Flatt

1. **Tonight I'm all alone no place to call my own,
I don't have no one to love me any more,
Gonna pack up my grip and take a long, long trip,
Back to the one that I love so.**

chorus: **Oh I what to go back to my darling,
Back to the one I love so well,
I know she'll be my wife and we'll settle down for life,
For she's the one that means the world to me.**

2. **I can't forget the day I left and went away,
You told me I'd be sorry some old day,
Well I found it to be true so I'm heading back to you,
Sweetheart I'm tired and want to settle down.**

chorus:

3. **When I get back to her my rambling days are o'er,
We'll build a little cottage on the hill,
We'll think of days gone by sweetheart just you and I,
And there we'll live so happy ever more.**

chorus:
