

If You're Ever Gonna Love Me

Written by Buck Graves & Leroy Mack

chorus: **If you're ever gonna love me well I wanna know it,
There's just one way that you can show it,
If you don't start treating me better you'll see,
I'm gonna do away with me.**

- 1. I'm gonna go down where the water's little bit deeper,
I'm taking no chances can't you see,
If you don't start treating me a little bit better,
Well I'm gonna do away with me.**

chorus:

- 2. Why won't you tell me just how you feel about it?
You're driving me crazy can't you see,
If you don't start treating me a little bit better,
Well I'm gonna do away with me.**
