

That High Lonesome Sound

Written by Vince Gill

**1. Whenever I'm feeling lonely,
Whenever I'm feeling blue,
I start thinkin' 'bout my blue eyed darlin',
And my heart starts pinin' for you.**

chorus: **I wanna hear that high lonesome sound,
'cause my sweet baby ain't around,
When my life's got me down,
I wanna hear that high lonesome sound.**

**2. When I'm lost in this ocean of darkness,
Not knowing which way I should turn,
And my eyes are filled with sadness,
Of knowing you'll never return.**

chorus:

coda: **When my life's got me down,
I wanna hear that high lonesome sound.**
